

ARRIVAL & DEPARTURE

Check-in between 4 and 8 pm & **Check-out** before 11 am (can be flexible depending on room occupancy. See with the host to arrange your schedules)

Parking: at the "back" of the house; park **at a herringbone** along the side of the house, making sure not to block the passage of neighbouring users (possibility to put motorbikes and bicycles in safety in the adjoining barn)

The entrance is on the opposite side, on the terrace side; go around the house to reach the front door

A key to the door is available in a key box; after use, the key must be put back in the box, whether you enter or leave the house, as this key is used by everyone.

ROOMS

The floors of the floors are covered with carpets; To avoid staining them, a piece of furniture at the top of the stairs allows you to leave your shoes.

Sheets, duvets, and towels are provided. When you leave, leave the bed as it is, and towels used in the bathroom; The cleaning will be done after your departure. Each room has a lock. **Be sure to leave the key on the door when you check out**

You can take advantage of the common areas to eat: **To avoid stains and damage, we thank you for not consuming drinks or food in the rooms**
Guests can smoke on the terraces but **the whole house is non-smoking**

SHARED AREAS

Lounge, Terraces & Bar you can enjoy these spaces at your convenience for your relaxation or dining; you can use the barbecue available on the terrace if you wish

Kitchen: The kitchen is not part of the equipment available during your stay. It is exclusively for the use of the guest.

If necessary, check with the host to see if it is possible to store products in the fridge or freezer.

On request, you can use the dishes from the house, with a very simple rule: what is used must be cleaned by you immediately after use

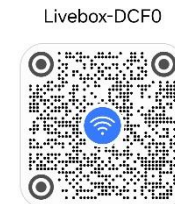

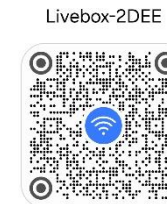

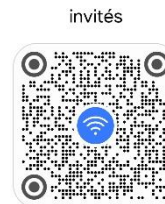

Votre hôte a également une activité de traiteur, aussi la cuisine peut être l'un de ses outils de travail : le respect des règles ci-dessus n'est donc en rien facultatif ni optionnel.

Your host's wish is that you have the best possible stay at La Bicoque. So if you have the slightest request, don't hesitate: if it is neither absurd nor irrelevant, there is no reason why it should not be granted to you; Otherwise, it is all the more preferable to ask beforehand, and to **proscribe "We have allowed ourselves..."** (to arrange your fridge differently to put our things in, to take extra pillows to the next room, to run a coffee maker, to change the location of a piece of furniture, to invite friends over for the evening,...).

CATERING: a catering service can be offered (breakfast 10€, meal 20€); make your request to the host if you wish

FEEDBACK: If your stay met your expectations, please leave a review on the website through which you booked.
